

THE ART OF ANTHOLOGY

STORIES OF YOU CELEBRATES ADMIRABLE COLLECTIONS

Sounds True founder Tami Simon's luminous anthology explores the wisdom of our canine companions through thoughts from contributors including Alice Walker, Pam Houston, Eckhart Tolle, Mirabai Starr and others.

Our dogs aren't just our "best friends," the book

suggests, but also our teachers, sources of healing truths and practical strategies. With a portion of proceeds donated to the National Mill Dog Rescue, this is a perfect gift for dog lovers, spiritual seekers—and yourself. —Suzanne Fox

The Dharma of Dogs: Our Best Friends as Spiritual Teachers, edited by Tami Simon. Sounds True, 2017.
